

BISCAYNE

Weight: 595 lbs.
Draft: 7"
Length: 16' 4"
Beam: 70"
Power: 60-70 hp

Designed to be a compact, all-terrain skiff with a soft, dry ride in the open waters of the Keys, the Biscayne gives you the best of both worlds: the ability to cross the nastiest water while keeping you dry and your kidneys intact, along with the ability to silently pole the skinniest flats. Big boat performance in a 16 foot package.
