

GUIDE

Weight: 695 lbs.
Draft: 4 1/2"
Length: 18' 4"
Beam: 79"
Power: 60-90 hp

Because no one likes to get left at the dock. A skiff similar to our Professional, but re-engineered to comfortably fish 3 people. Roomier, with more volume forward so your buddy can get up there to take your picture with that huge tarpon that you just spent the last 45 minutes landing. Or just to fish, either one.

STANDARD FEATURES

GUIDE MODEL
