

MARATHON

Weight: 650 lbs.
Draft: 9"
Length: 17' 8"
Beam: 73"
Power: 70-115 hp

The skiff that found its home in the heart of the Keys. The Marathon is a true high performance skiff that sits perfectly between the Marquesa and the Biscayne. Designed to be fast so you arrive first for the early bite. It is built to handle any condition you can put it through and dominates rough water crossings. Tracks and holds true when poling during high winds in open water allowing for the one perfect shot at a string of tarpon.
